Kivaane Anton Uthayakumar

COMPUTER SCIENCE UNDERGRADUATE

PERSONAL STATEMENT

A driven Computer Science undergraduate at IIT Sri Lanka, passionate about Data Science, Business Analytics and software development. Skilled in problem-solving, teamwork and creative thinking, seeking hands-on industry experience to apply technical knowledge and contribute to impactful, data-driven projects

SKILLS

Interpersonal Skills

- Time Management
- Leadership and Initiative
- Communication & Collaboration
- Problem Solving
- Attention to Details

EDUCATION

BSc (Hons) Computer Science (Reading) **2024-2028**
University of Westminster

G.C.E. Advanced Level **2021-2023**
Hindu Ladies' College
Physical Science : 2BC

G.C.E. Ordinary Level **2019-2020**
Hindu Ladies' College
Results : 9A

PROJECTS

SDG 13 – Climate Action Website Project

- Designed and developed a responsive awareness **website** aligned with **UN SDG 13 (Climate Action).**
- Created structured layouts with focus on **UI/UX, accessibility, and clear content presentation.**

Technologies: HTML, CSS, JavaScript

Event Management Website

- Developed a static event management website to display event details, schedules, and registration forms.
- Implemented **form handling and basic interactivity using JavaScript.**
- Improved understanding of **web structure, user interaction and front-end design principles.**

Technologies: HTML, CSS, JavaScript

User Login & Management System (Self-Initiated Project)

- Developed a **Java-based user login and record management** system with CRUD operations.
- Implemented **authentication, input validation, record filtering and secure data handling.**

Technologies: Java, OOP Principles, JDBC, MySQL, HTML, CSS

Task Management Application

- Developed a **Python-based GUI application** using **Tkinter** with full CRUD functionality.
- Implemented **task filtering, file handling and JSON-based data storage.**

Technologies: Python, Tkinter, JSON

Technical Skills

Programming Languages:

- Python, Java, JavaScript, SQL

Web Technologies:

- HTML, CSS, Bootstrap

Databases & Tools:

- MySQL, MongoDB, Google Sheets, GitHub

Other Tools:

- VS Code, IntelliJ

INTERESTS

- Data Science & Analytics
- Hackathons & Coding Competitions
- Open-Source & Collaborative Projects
- Self-Learning & Tech Exploration

CERTIFICATIONS

- IEEEXtreme 19.0 – International Coding Competition (2025)
- Coderally Group Hackathon (2025)
- Data Science & Business Analytics Certificate (NoviTech (2023))
- Artificial Intelligence Basics Certificate (NoviTech (2023))

EXTRACURRICULAR ACTIVITIES

Assistant Secretary
Leo Club of Colombo Waters Meet| July 2025 - Present

Member - IEEE
IEEE Student Branch, Informatics Institute of Technology | September 2025 - Present

Club Editor
Leo Club of Colombo Waters Meet| July 2024 - Present

Senior Prefect
Hindu Ladies' College| 2021 - 2023

Chief Editor - Prefects' Guild
Hindu Ladies' College| 2021 - 2023

Chief Editor
Leo Club of Hindu Ladies' College| 2022 – 2023

IT Union - Member
Hindu Ladies' College| 2021 - 2023
