Kivaane Anton Uthayakumar

COMPUTER SCIENCE UNDERGRADUATE

PERSONAL STATEMENT

A driven Computer Science undergraduate at IIT Sri Lanka, with strong leadership experience and a passion for Data Science, Business Analytics, and software development. Skilled in problem-solving, teamwork and creative thinking, seeking hands-on industry experience to apply technical knowledge and contribute to impactful, data-driven solutions.

SKILLS

Interpersonal Skills

- Time Management
- Leadership and Initiative
- Communication & Collaboration
- Problem Solving
- Attention to Detail

EDUCATION

BSc (Hons) Computer Science (Reading) **2024 – 2028**
University of Westminster

Bachelor of Information Technology (Reading) **2026 – 2028**
University of Moratuwa (External)

G.C.E. Advanced Level **2021 – 2023**
Hindu Ladies' College
Physical Science: 2BC

G.C.E. Ordinary Level **2019 – 2020**
Hindu Ladies' College
Results: 9A

PROJECTS

Agrivora – Smart Agriculture Platform (SDGP) **2025 – Present**

- Developing a platform that provides **data-driven** insights to support farmers in crop and resource decisions.
- • Using **environmental and agricultural data** to generate **smart farming recommendations.**

Technologies: Python, Machine Learning, APIs, GitHub

SDG 13 – Climate Action Website Project **2025**

- Designed and developed a responsive awareness **website** aligned with **UN SDG 13 (Climate Action).**
- Created structured layouts with focus on **UI/UX, accessibility, and clear content presentation.**

Technologies: HTML, CSS, JavaScript

Explainable Student Predictor (Self-Initiated Project) **2026**

- Developed a **supervised machine learning model** to predict student pass/fail outcomes based on academic performance features.
- Trained a **Decision Tree Classifier** and performed structured data preprocessing.
- Implemented **Explainable AI using feature importance to interpret model predictions**.

Technologies: Python, Pandas, Scikit-learn, Decision Tree Classifier

User Login & Management System (Self-Initiated Project) **2025**

- Developed a **Java-based user login and record management** system with CRUD operations.
- Implemented **authentication, input validation, record filtering and secure data handling.**

Technologies: Java, OOP Principles, MySQL, HTML, CSS

Technical Skills

- Programming Languages: Python, Java, JavaScript, SQL
- Web Technologies: HTML, CSS, Bootstrap
- Databases & Tools: MySQL, MongoDB, Google Sheets, GitHub
- Other Tools: VS Code, IntelliJ

INTERESTS

- Data Science & Analytics
- Hackathons & Coding Competitions
- Open-Source & Collaborative Projects
- Self-Learning & Tech Exploration

CERTIFICATIONS

- IEEEXtreme 19.0 – International Coding Competition (2025)
- Coderally Group Hackathon (2025)
- Data Science & Business Analytics Certificate – NoviTech (2023)
- Artificial Intelligence Basics Certificate – NoviTech (2023)

EXTRACURRICULAR ACTIVITIES

Assistant Secretary
Leo Club of Colombo Waters Meet **July 2025 – Present**

Member - IEEE
IEEE Student Branch, Informatics Institute of Technology
Sept 2025 – Present

Club Editor
Leo Club of Colombo Waters Meet **July 2024 – Present**

Organising Committee Member – Event Coordination
SLEA International Conference **Nov 2024 – Dec 2024**

Senior Prefect
Hindu Ladies' College **2021 – 2023**

Chief Editor - Prefects' Guild
Hindu Ladies' College **2021 – 2023**

Member – IT Union
Hindu Ladies' College **2021 – 2023**

Chief Editor
Leo Club of Hindu Ladies' College **2020 – 2022**

Junior Head Prefect
Jaffna Vada Hindu Primary School **2013 – 2014**
